El Dorado Republican: A Wichita local
sees of poetical jungle rhymes Arkansas
with Wichita. Palangines has about
ruined that country.

Jack Hadden was nominated by the Re-
publicans for county attorney of Sedgewick
county. Jacob should pull the wire party
vote and we hope he will.—El Dorado Re-
publican.

The Chicago Current says Kansas will
soon take the place of Illinois as the great
agricultural State in the union. This
Chicago prophet has doubtless been read-
ing the Wichita Eagle.—El Dorado Re-
publican.

Toledo, Ohio, has had two political de-
monstrations within the week. The Re-
publicans had 70,000 people, which is said to
have been the largest gathering ever seen in
Ohio, and 50,000 in line with torches. The De-
mocrats had 322 with lamps and 120 with
torches. The Toledo Telegram vouchers for
these figures.

Judge Brewer's opinion concerning the
Cherokee nation's right to lease their land
for grazing privileges will be found in an-
other column on this page. The Judge
holds that the Indians have the sanction
of the court in their favor, and that no pe-
riod can attach to any agreement for a lease
with any tribe of Indians for grazing
privileges.

A Chinese pamphlet recently circulated
in Hong Kong against the Christian mission
work affirms that Europeans do not belong
to the human race, but are descended from
monkeys. This race of wild beings worships
neither the heavens nor the earth; they do
not honor their parents nor have respect for
their forefathers. They come into China
under the pretense of preaching a religion,
but really come to take the eyes and the
brains of dying people and the blood of the
children. With these they make medical
pills which they sell in their country, and in
this manner secure slavehood.

The secretary of the fair took in Topeka
Monday, in the interest of the fair, during
Tuesday noon. He secured certain con-
cessions from the railroad company, but
could not make all that he wanted for. He
wishes, however, to attend the fair next
week with Wichita, Harper, Winfield,
Arkansas City and intermediate points, can-
not do so at four cents per mile round trip. It
is hoped that the same rates can be secured
for other points farther away than those
mentioned, but there is nothing positive
about that yet. Excursion trains will be
run so that all can be accommodated.—Cald-
well Standard.

Will the Arkansas Valley corn please
stand up? We have in our hands a large
quantity of white corn raised by Dan Cuyper,
this season on his farm on the Whitewater,
in Topeka township, this (Butler) county.
It is a fine specimen of the product of the
year, and will stand up to the test of a
half inch. Have you got anything in
the Arkansas Valley to beat this? If so,
show it. We will pay for a sample.—El
Dorado Republican.

There is no necessity for any pause on
either side. You are referred to the back
files of the EAGLE. In our early history as
a corn growing county, we were in the
habit of lagging on such corn as you
mention, but it is so common now—every-
body raises that kind in Sedgewick.

THE STORY'S HALF IS NOT YET
TOLD.

INDIANAPOLIS, Ind., Oct. 1.—The Journal
has the following special from Loganport:
Mr. Simon Talbot, a traveling man in the
employ of Henry York & Co., wholesale
leather dealers in New York, is in this city
and being approached on the subject of
New York politics, said: "Yes, I know
Cleveland, perhaps better than any man liv-
ing. Maria Halpin is my sister-in-law. The
story told in the newspapers is literally true,
and the half has not been told. Grover
Cleveland did seduce my sister-in-law under
a positive promise, while she was living in
Buffalo. This I know to be true, and Cleve-
land afterward paid the \$500 to me for Ma-
ria Halpin when her legal proceedings were
about to be instituted against him. He in-
dicated to me that he had possession of
the child. Soon after the publication of this
matter, and about six weeks ago, Cleve-
land wrote me a letter urging me to make a
statement showing that he had always treated
Mrs. Halpin well, and promised me any-
thing I could wish in case he was elected. A
friend of mine—a prominent judge in New
York, also came to me and wanted a state-
ment. I refused to make such a statement,
and Mrs. Halpin said she would make a
statement before she would make a statement
for him. He also said in the letter that the
published reports in the press that two other
men were intimate with Mrs. Halpin were
wholly untrue, and were not true, and that
in the event of my making the statement
he would have the right to make a statement
showing that he had always treated Mrs. Hal-
pin well, and promised me any-thing I could
wish in case he was elected. I have here a
letter from my wife, stating that Mrs. Hal-
pin has refused, for the sum of \$10,000,
to make a statement for the Democrats. She
says she would rather tell the truth for the
Republican cause than take any sum from
the Democrats."

This is the substance of Mr. Talbot's
statement. He is well and favorably known
to our business men as a man of the most
upright character, and his story adds
further proof to the detestable character
of Grover Cleveland. The Loganport

Journal, reporting the talk with Mr. Tal-
bot, says: "Maria is now living quietly at
a small town in New York state, and will
continue to remain away from the eyes of
the public until after the campaign. Mr.
Talbot undoubtedly has it in his power to
place the scandal before the public with a
number of variations, but he stubbornly re-
fuses to do so."

AN ESTIMATE.

We estimate the vote this year, as follows:
Blaine, 150,000; Cleveland, 75,000; Butler,
20,000; St. John, 5,000—total, 250,000. In
this estimate we give all the odds against
Blaine. The total vote is as likely to be over
250,000 as under it; we have given Cleveland
more than a proportionate increase; we
do not wish to Butler will receive over 15-
20, and we think St. John is more likely to
fall below 5,000 than to reach 5,000. In all
these contingencies the increase would go to
Blaine; and the chances are all in favor of
his majority going considerably over 75,000
rather than under that number. The im-
migration into Kansas has been very heavy
in the last four years, and the bulk
has been Republican; while those going out
the bulk has been Democratic. Our estimate
that Jno. A. Martin for governor will run
behind Blaine from 20,000 to 25,000 votes is
based upon the following reasons: Of the
large number of Democrats who have de-
cided to vote for Blaine, but very few of
them will vote the Republican State ticket,
but will as a rule, vote Democratic except
for President. There is an unknown
quantity of Republican voters who will not
vote for Martin because of the prohibition
issue. The number is much smaller than
voted against St. John, two years ago, but
we think it will aggregate somewhere from
10,000 to 15,000. This vote, together with the
Democrats who will vote for Blaine, when
taken from Martin and added to his op-
ponent, count double and will, we think,
be sufficient to make a difference of 20,000 to
25,000 between Blaine and Martin. The
number is much smaller than it would have
been a month ago, and we think it is
growing smaller every day. But placing the
difference as high as 25,000 with Blaine's
majority as high as 75,000 or more, and the
prospect of re-electing Clark is a very for-
ward hope. It will do no harm to preserve
it, and estimate, and see how well we can cal-
culate, or how widely miss the mark.—Cal-
culation.

We are Law Abiding.

The Summer County Standard (Dem.) of
Wellington, in its declaration of principles,
says:
"We claim to be law abiding and we
favor the enforcement of all statutory laws."
This is not Democratic doctrine accord-
ing to the platform of the party in this
State when it, if not in words, but by im-
plication, declare that it is not in favor of
the enforcement of the prohibitory law in
any sense, and denounces it unreservedly
as a law that no man with any sense of
liberty should obey or observe.

Further, the Standard takes up the Okla-
homa question and denounces the officers
and government for enforcing laws as fol-
lows:
"We hold that the conduct of the govern-
ment officers toward the Oklahoma settlers
was an outrage to American rights and con-
stitutes a stain upon the honor of the gov-
ernment. It is a stain upon the honor of the
country, and it is a stain upon the honor of
